### **About San Francisco's Singing Ambassadors**

Since its founding in 1948 the Chorus has pursued its mission— instilling the qualities of musical skills, citizenship and leadership in hundreds of boys every year. The Chorus' remarkable resume includes appearances in more than 180 productions of the San Francisco Opera, tours to the most prestigious stages of Europe and Asia, and receiving a Grammy award for its recording work. This amazing group was invited to perform at the 2009 Presidential Inauguration before a world-wide television audience.

### **Chorus –“ A Team Sport”**

It takes a tremendous team effort to provide the training for Bay Area boys to achieve these heights. A faculty of distinguished musicians teaches, the boys rehearse and perform, the boys' parents volunteer and chauffeur them to rehearsals twice a week, and the community supports the Chorus. The Annual Gala and Silent Auction is one of the ways the community participates. The evening raises funds for the tuition assistance fund.

It costs nearly \$6,500 a year to train each one of the nearly 100 boys in the Chorus. Additionally, nearly one-third of the boys receive tuition assistance and scholarships. **The Chorus' goal is to turn away no qualified boy.**

### **Your Support Can Make a Difference**
